Bills Honor Goddard After Big Win

Clarence coach Tom Goddard was named the Buffalo Bills' Coach of the Week after his Red Devils defeated Orchard Park 37-28 last weekend.

Mike Gelz ran for 177 yards and 3 touchdowns on 28 carries to power the ground attack.

Cooper Wittig added 82 yards on 15 carries and also caught a 50-yard pass.

Quarterback Zach Lauricella ran seven times for 54 yards and 2 TDs. Wittig also completed 5 passes for 123 yards and threw no interceptions.

This is the first time that Clarence has beaten Orchard Park since the 2000 season.

"This is one of the biggest wins that we have had in the last few years," Goddard said. "The kids

Tom Goddard

have really been focused on our theme this year. We are a good team but... can we play at the next level? Can we possibly be a great team?"

The Red Devils rolled up 456 yards of offense in the win over Orchard Park.

"Orchard Park is a measuring stick program in AA football," Goddard said. "The kids proved that we could play at a higher level for one week. Now we have to prove it again against Lancaster this week. We have to prove it every week."

Goddard said he was pleased with the offensive output but that there were things that needed to be improved.

"We look at our game film on Monday," he said. "We point out the positives and the things we need to work on. From that point on, we have put this win aside and move on. It's enjoyable but it's over."

This is the fourth time that

Goddard has been honored with the award by the Bills.

"It's great because it's for the kids, too," he said. "It's a great honor to be chosen but it's a reflection of the kids and how they played. It's a program award because it took a lot more than one person to win that football game."

Goddard played running back, tight end and linebacker for Clarence before graduating in 1968.

He also played wide receiver for Iowa Wesleyan College.

"Back then they had Major College Football and Small College football," he said. "Iowa Wesleyan is an NAIA school now."

Goddard started his coaching career at Cheektowaga, serving as head coach from 1980 until 1985.

He started coaching at Clarence as an assistant on the staff in 1986 and became the head coach in 1993.

Goddard has 107 career wins.

Josh Perez leads Canisius Defense

Canisius opened up a 34-7 lead at the half and beat Long Island's St. John the Baptist 41-7 last weekend.

After beating Cardinal O'Hara 40-7 in the opening week, Canisius coach Brandon Harris said that there was still plenty to work on

"I'm still not really satisfied," Harris said. "We are nowhere near where we want to be. We are scoring a lot of points but not doing it way I want to do it."

The defense has been superb through 2 games. "Our defense has played shutout ball except for two fluke plays," Harris said. "We haven't given up more than 100 yards in two games and we have a lot of takeaways."

Middle linebacker Josh Perez, a senior, has been a stalwart on defense. "He's played phenomenal football," Harris said. "He's making checks and adjustments. He is the QB of the defense."

Peres suffered a torn ACL in the Crusaders loss to Aquinas last season. He has 22 tackles and a fumble recovery through 2 games. "He's one of the hardest working kids on our team," Harris said. "He's the first one in and the last one to leave."

This Week's Best Bets

Eden at Pioneer

Kickoff: 7:00 pm, Friday

Inside Scoop: Two undefeated teams will take the field trying to grab control of the B South Division. Edén coach Chuck Tilley (inset) will have to find a way to slow down the Panthers offense (88 83 points in two games). Pioneer coach Jim Duprey will have to figure out a way to stop Edén's maddening, methodical double-wing attack.

Albion at Cheektowaga

Kickoff: 7:00 pm, Friday

Inside Scoop: Another matchup of undefeated teams. Albion coach Tony Osburn (inset) will have his hands full while trying to stop Cheektowaga's powerful option attack with its stable-full of running backs. In turn, Cheektowaga coach Scott Zipp will have to contend with the spread-offense attack of Albion and QB Kaleb Reynolds. This is a non-league game but it should be a good one.

Campion is J-town's Champion

Jamestown evened its' record at 1-1 after beating Lancaster 12-0 last weekend. After losing their opener to Frontier, the Red Raiders are now in the thick of a fierce playoff battle in the AA South Division.

"Every year, the AA South is a fight from beginning to end," Jamestown coach Tom Langworthy said. "It's the toughest league in all of New York State. We are used to this type of schedule and we expect it every year."

It was Jamestown's first win over Lancaster since the 2005 season.

"We haven't beaten them in Lancaster in ten years," Langworthy said. "Our defense is playing well. We're running the football. We feel like we can let the kids go out and play and they have reacted well to it."

Senior tailback Joey Campion led the offense as he rushed for 82 tough yards on 21 carries. Campion ground out several first downs late in the game when the Raiders were trying to drain the clock.

"Joey did a great job of holding the football," Langworthy said. "He made a couple of crucial first downs when we were trying to work the clock."

Campion played such a big role in the game because Jamestown's starter, Dylan Monroe, sat out the contest with a high ankle sprain.

"Dylan got a high ankle sprain during camp," Langworthy said. "His recovery will take a little longer than we had hoped. We just have to give it a little more time."

Campion provided Jamestown with a dose of energy in the win.

"He's a high-energy player and a student of the game," Langworthy said. "He brings 100 percent effort to every practice and every work out. The kids look to him and respect him."

Campion starts at outside linebacker and starred for the Jamestown defense in 2009.

"Joey is an all-around great kid," Langworthy said. "He's a well-rounded person. A great character kid and a great player too. He's a tremendous asset to have in the program. He leads by his mouth and by example."

Campion had an ankle injury of his own to contend with and, in the days leading up to the game, didn't know if he would be able to play.

"I didn't know if I would be ready or not," Campion

said. "Right before the game, my ankle was fine so I hopped in and tried to do the best job I could."

Campion was thrilled to get a road win in a divisional game.

"It was definitely an exciting win for us," he said. "We were disappointed with the loss to Frontier. We felt we could have played better. We were confident that if we

played well, we could come out with a win. We just kept fighting through the whole night."

Campion, who also plays basketball for Jamestown, is far more than just an athlete.

He ranks number-1 in his class academically and has a chance to graduate as the valedictorian of his class.

He is also a member of the National Honor Society and is taking 4 Advanced Placement classes this year, after taking 5 AP as a junior.

Campion says he is not focused on graduating as valedictorian of his class.

"If I get it, that would be great," he said, "but I just want to do my schoolwork to the best of my ability and see what happens."

Campion's parents are both doctors but, he said that he does not want to enter the medical field.

"My mom is a pediatrician," he said, "my dad is a gastroenterologist and does

some really gross stuff. That kind of steered me away from being a doctor."

Campion says he would love to continue playing football in college, but acknowledges that his size (5-8, 175) may work against him.

"I am looking to choose schools for academics," he said. "I want to major in Mechanical or Aeronautical Engineering. I would love to play football or basketball in college but the first priority is academics."

Campion also says that people are surprised when they learn that a football player might also be Jamestown's valedictorian.

"I guess I'm breaking the stereotype of football players," Campion said. "But we have other good students on the team. My parents have stressed academics constantly. As a result, I'm a better student than an athlete."

As far as the football season, Campion is very clear on his goals.

"We want to make it to Ralph," he said. "It won't be easy but we are looking forward to the challenge."

Lockport Tops NT in OT

Lockport improved to 2-0 as with a 21-20 overtime win over North Tonawanda last weekend.

"NT is a state championship team," coach Greg Bronson said. "When you can beat a team of that caliber, you feel like you did fairly well."

It was the Lions first win over NT since the 2000 season.

"There are a lot of kids in our program that have played a lot of games against NT without a win," Bronson said. "And recently, they haven't even been close."

Lockport entered the fourth quarter trailing 14-0.

"The kids got it together and picked up the intensity in the fourth quarter," Bronson said.

Dorian Polk.

Lions. Polk also tipped away NT's 2-point PAT pass to secure the win.

"Dorian worked hard in the off-season to get himself ready," Bronson said. "He's scored 3 touchdowns in two straight games. I think he feels like he's able to compete and excel."

The Lions now have a big game at Kenmore West on Saturday.

"After this, we feel like we can compete with anybody," Bronson said.

Witkowski leads OP

Orchard Park lost at Clarence 37-28 last weekend.

"Our division is pretty good," coach Gene Tundo said. "We know that we have a target on us and that teams are coming at us full bore."

Orchard Park's offense was in high gear as the Quakers gained over 400 yards in the loss.

"We have just two starters back on offense and two on defense," Tundo said. "We are getting better. We're in a good position and we're happy with our team."

Senior QB Kyle Witkowski, a first-year starter, completed 19 of 38 passes for 186 yards and 2 TDs. Witkowski has passed for 326 yards this season.

"Kyle played a little at the end of our last game last season," Tundo said. "Dave Janca sick with the flu and Kyle went in."

Tundo says that Witkowski has played well through two games.

"We are pass blocking,

our receivers are running great routes," he said, "and Kyle is doing a tremendous job. He is making great reads, he's finding the open receiver and he's delivering the ball."

Witkowski has thrown 3 TD passes thus far.

"Kyle is a very astute player," Tundo said. "He knows the game and he has an accurate arm. You can't get much better than that."

Macks Get 1st Win in Section 6

After opening with a loss to Williamsville East, McKinley rebounded to beat Kenmore East 40-16 last weekend.

"If we prepare and play four quarters we can play with anybody," McKinley coach Ed Wilson said. "Our kids are excited, especially after the disappointing loss we had the week prior."

QB Markell Ingram passed for 292 yards and 3 TDs in the win. Ingram, a senior, completed 10 of 15 passes.

"He has started since he was a sophomore," Wilson said. "He is a smart young man. He's a football saavy kid and a heart that won't quit."

Ingram is 5-11 and 180 pounds.

"He's not the biggest kid but he's a coaches player," Wilson said. "He gives you everything he's got and

that's all we can ask."

Ingram was actually a surprise starter during his sophomore season.

"He was a backup,"

Wilson said, "but our starter left the team a week before the season started. Markell went out on the field and he had a decent season."

Ingram maintains an academic average near 90.

"He's been visited by Cornell and UConn came to see him," Wilson said. "He's a fabulous kid."

Billies Win A Big One

Williamsville South earned a measure of revenge with a 34-13 win at Grand Island last weekend.

"It was a non-league game," coach Kraig Kurzanski said, "but the way they beat us in the playoffs last year made this a big game for our kids."

South led 14-13 at the half and broke it open with 3 TDs in the third quarter.

"We had played pretty well but we hadn't made enough big plays," Kurzanski said. "We stayed patient and it kept us going until the second half."

Senior Kevin O'Connell caught 4 passes for 85 yards and 2 TDs.

"He's been our best player," Kurzanski said. "He's an exceptionally big receiver with excellent hands. He runs great routes, He's a physical kid and he plays with every bit of his size."

O'Connell (6-4, 200) is being recruited by Bucknell, Colgate, Cornell, Penn and Holy Cross.

"Kevin is an excellent

student," Kurzanski said. "His grades are in the mid 90s and he has a 1200 SAT score. There are a lot of colleges that are going to want him in their program."

O'Connell played in two games as a freshman.

"He came up for the last two games," Kurzanski said. "He made a couple of catches and we discovered how good he was."

Newfane Wins on Final Play

Newfane beat Tonawanda 17-14 when Sean Seefeldt kicked a 28-yard FG on the last play of the game.

"The kids were spastic," coach Alex Haney said. "It was bedlam. I was trying to get everyone off the field because we weren't sure of there was going to be another play or not."

It is the second straight year that Newfane has beaten Tonawanda in the game's final moments.

"We're in exactly the same place we were last year," Haney said. "Now we have to move past that."

It was the first road win for Newfane in years.

"No one here can remember ever winning a road game on the varsity level," Haney said. "Getting a win on a Friday night was a good step but we have more to go."

Seefeldt, a junior QB,

Sean Seefeldt.

also ran 18 times for 228 yards and a TD. He also completed 4 of 10 passes for 52 yards and a 5-yard scoring pass to TJ Knight.

"We felt pretty strongly about him in camp," Haney said, "but we put him in a competitive environment and he won the battle."

Haney had no doubts about sending on the FG team for the last play.

"We've seen him kick 50-yards in practice," he said. "He never shows any fear."

Nesbitt Leads Defense

Burgard lost a tough defensive slugfest 12-6 at Depew last weekend. The Bulldogs led 6-0 in the fourth quarter but surrendered the lead with less than 3 minutes to play.

"That a tough loss," Burgard coach Jason Kolb said. "We felt like we played with one of the best teams in Class B."

The game was physical from the start.

"We slugged it out but they made one more drive than we did," Kolb said. "We made some crucial mistakes and it cost us. This will lead to good things the next two weeks."

Kolb said Burgard was just as physical as Depew.

"Our kids played hard-nosed football," Kolb said. "We feel we are a good team and we proved that."

Senior FS Shakier Nesbitt was a standout on defense, making 14 tackles.

"He's got some talent," Kolb said. "We moved him from linebacker to safety in the passing leagues during

the offseason. He was picking off balls so we made the move permanent."

Nesbitt returned an INT 86 yards for a TD in the Bulldogs opening-week win over Akron. He has also caught 4 passes for 96 yards this season.

"He came to us as a junior and worked his way onto the field as a line-backer," Kolb said. "He's a great team leader."

Wilson Posts Shutout Win Over Gowanda

Wilson improved to 1-1 on the season with a 13-0 win over Gowanda last weekend. Wilson rebounded from an opening-week loss to Grover Cleveland.

"I asked these kids to improve every day," coach Bill Atlas said, "and they have done that since the Grover game. They are getting better every day in every drill."

Senior WR Cody Reimers scored both TDs for the Lakemen in the win. He ran 29 yards for a TD and caught a TD pass.

Reimers also kicked a PAT. "Cody kicks, punts plays wide receiver and defense," Atlas said. "He does it all. He has a shot to play college football."

Reimers was Wilson's second-leading receiver as the Lakemen qualified for the playoffs last year.

"He has taken over as number-one target in the

spread offense," Atlas said.

Reimers finished the day with 6 catches for 80 yards and also made 4 tackles and intercepted a pass.

"Our stepped it up inside the red zone," Atlas said. "The turnovers were huge."

Reimers has an academic average in the high 90s.

"He's a great student," Atlas said. "He's worked out on his own for the past couple of years and it's paid off. He quiet but he leads by example and his actions on the field."

Falconer Gets First Win

Falconer evened their record at 1-1 with a 26-22 win over Allegany-Limestone last weekend.

"It was our first league win in three years," coach Mike Ginestre said. "Our kids fought hard the whole game. This puts us right in the hunt for the playoff race."

Falconer led 20-6 in the second quarter but fell behind 22-20 in the 4th.

Kyle Miller hit Jordan Armeli with the go-ahead TD and the defense made a huge stop with 2:00 to play.

"They had a first-and-goal and we stopped them on 4 plays," Ginestre said. "I was proud of our kids with how we fought back."

Junior RB led the offense as he rushed for 172 yards and scored TDs on runs of 84 and 25 yards.

Sharp rushed for 142 yards and a TD in the opening 41-13 loss to Southwestern.

"Nate's very quick," Ginestre said. "He's not the biggest kid in the world but he has great cuts. On both

TDs he broke outside and went up the sidelines."

Unfortunately, Falconer is holding it's breath because Sharp left with a knee injury in 3rd quarter.

"We're still waiting for etsts but I'm optimistic that'll he'll play again soon," Ginestre said.

Sharp is a junior but this is his 3rd varsity season.

"He put in a lot of work," Ginestre said, "and he's reaping benefits."

Unverdorben Powers Portville

Portville moved into first place in the D East with a 26-7 win over Frewsburg.

"Frewsburg is an established playoff program," coach Gary Swetland said. "I think we made a statement and hopefully we can maintain that."

Trent Unverdorben rushed for 135 yards on 15 carries and scored TDs on runs of 74 and 56 yards.

"He's quick and a tough runner to corral," Swetland said. "He doesn't have blistering, all-out speed but he's very quick and very strong."

Unverdorben led the Panthers with 800 rushing yards last season and was named a Class D all-star.

"He missed two games with a broken hand," Swetland said. "He played the last two games with a cast on his hand. It was challenging but he's a tough kid who plays hard and per-

forms at a very high level."

Unverdorben (5-8, 160) also punts and kicks off for Portville.

"He's very quiet but he's a good team leader," Swetland said. "He's very hard working and very determined. He's a good solid student and a good solid citizen."

Portville is tied with Randolph for first place.

"We have a fairly veteran team with good battlefield composure," Swetland said.

Panama Looks for Win

Panama lost to Maple Grove 26-0 and fell to 0-2.

"We graduated 12 kids last year," coach Chris Payne said. "We're all new kids with 10 starters."

Panama lost a heart-breaker, 13-12, to Westfield in the opening week.

"We dominated the game," Payne said. "We moved the ball up and down the field but we turned the ball over."

Panama has had trouble running the football thus far.

"Our whole offensive line is brand new," Payne said.

"We are really going to have an adjustment time until we can get comfortable. We have not been able to run the ball so we need to get back to basics."

With the running game struggling to find its footing, Panama will rely on QB Nick Lenart heavily this season.

"He's a second-year starter and he's feeling more comfortable with the offense," Payne said. "He's really stepped up his game, especially in week 1."

Lenart passed for 130 yards and 2 TDs in the loss to Westfield.

"He's a team leader," Payne said. "For a small school like ours, it's big to have a QB coming back."

Lenart starts at guard for the basketball team.

"He's one of the best basketball players in Chautauqua County," Payne said. "He's a playmaker."

St. Joe's loses on Final Play

St. Joe's lost 21-20 to Msgr. Farrell on the last play of the game last weekend.

"We're young and made some mistakes," Gilbert said. "But we made a lot less than we made against Aquinas."

The Marauders trailed 14-0 after a quarter but took a 20-14 lead with 3:00 to play in the game.

"We never stop swinging," coach Dennis Gilbert said. "If we lose, we lose. But we never quit. I don't care who we are playing, we will not quit playing hard."

Quarterback Chad Kelly had a big day as he completed 23 of 38 passes for 238 and 2 TDs.

His skill set is amazing," Gilbert said. "He can make every throw. He has

great vision. He sees the field very well. Most high school kids can get to the second progression and he's already on his thord."

Kelly, a junior, also ran for 80 yards on 12 carries.

"He knows where the ball needs to go," Gilbert said. "He has great feet and his field sense is even better."

Kelly moved back to Western New York after moving to Pennsylvania in the 7th grade.

"His family moved back and he came to us as a sophomore," Gilbert said.

Kelly also plays basketball and was named an all-Catholic lacrosse player.

"He's very intense and super competitive," Gilbert said. "He has a ton of energy and he loves to compete."

Smith's Return Helps Fred

Fredonia crushed Cassadaga Valley 55-16 last weekend. The Hillbillies jumped out to a huge 34-8 lead at the half, allowing coach Bob Ball to sub liberally.

"We subbed with four minutes left in 3rd quarter," Ball said. "The 2nd team played a lot. We got some juniors on the field and got a lot of kids a lot of snaps."

After opening the season with a 33-0 win over Salamanca, Fredonia is now 2-0 and in the thick of the C South Division race.

"The kids are feeling pretty good right now," Ball said.

"They put a lot of effort into developing a new offense. But the seniors understand that nothing will be given to us. We're not overly cocky but each week we get stronger as a group."

Fredonia will play their first home game on Friday when they host Gowanda.

Ball's new offense has scored 88 points in Fredonia's two games.

"We're running a spread offense and getting our speed into the open field," Ball said. "We wanted to run this offense last year."

But when Shane Smith suffered a season-ending knee injury three days before August practice started, Ball had to scrap his plans for the spread.

"We played two quarterbacks,"

Ball said. "One had not played quarterback since the 8th grade and one had never played. They gave us their best effort but we struggled on offense."

Smith started at flanker and outside linebacker as a sophomore when Fredonia went to Ralph Wilson Stadium two years ago.

"Shane hasn't played QB since his freshman year," Ball said. "We knew what he was capable of but he had not had game experience since his freshman year on the JV team."

So far, Smith has done a solid

job of running the spread offense and leads the team with 196 yards rushing

"He's a quick runner and it's hard to get a solid hit on him," Ball said. "He spins and bounces off of people. He keeps his feet moving."

Smith has also passed for 303 yards.

"He is extremely accurate," Ball said. "You don't see him throw a bad pass. He has quick release and if he sees someone open, he gets it there in a hurry."

Smith, who had knee surgery last October, is a team captain.

"Shane is a self-motivated kid," Ball said. "He was always like that but I think playing means a lot more to him after having to sit out last year. He won't take it for granted."

Kling and His Court

Depew will have to overcome the loss of lineman John Kling

By Mark Adair

Depew sweated out a tough 12-6 win over Burgard in a defensive slugfest and improved to 2-0 on the season.

The game was physical, with plenty of hard hits delivered. Neither team seemed interested in much trickery.

Just straight ahead, smash-mouth football.

After playing to a scoreless tie after three quarters, Depew surrendered the game's first TD and trailed 6-0 with 11:00 left in the game.

The Wildcats responded by mounting a pair of scoring drives, first tying the game and then taking the lead when Aaron Ertel tossed TD passes to Sam Sallaj and Anthony Emmanuele.

Depew is now 2-0 heading into this week's game with Akron. The Wildcats will also face South Park before heading into one of WNY's most anticipated games of the year when they host defending Class B champion Cheektowaga.

"We've got to take them one at a time," Depew coach Dan McGrath said, "but we want to win them all. That's a goal of ours every year."

Depew, which last won a Section 6 title in 2007, is widely considered a legitimate contender for the Class B title.

The reason is simple: The Wildcats have one of the biggest offensive lines for a Class B school in memory.

"We do have some size this year," Depew coach Dan McGrath said. "We have some pretty big kids up front."

The biggest of the behemoths is 2-way tackle John Kling, a 6-7, 285-pound senior who has already given a verbal commitment to play for the University at Buffalo

Photo by Mark Adair

Depew lineman John Kling has verbally committed to play for the University at Buffalo next year. He suffered a broken foot last week.

next season.

While Kling may be the highest-profile among the linemen, he also is the "rookie" of the bunch. He transferred to Depew after playing three seasons at St. Mary's.

"John was one of ours to begin with," McGrath said. "He played modified ball for us in 7th and 8th grade. When he transferred here, he was coming home where he belonged."

McGrath was pleasantly surprised when Kling enrolled in Depew last December.

"He was definitely a nice addition to the team," McGrath said. "He came out for wrestling in November. We were busy doing lifting and he jumped right into that. He knew a lot of our kids from elementary school and he quickly re-established relationships with those kids."

Unfortunately, Depew will now be without Kling

for the next four weeks after he suffered a broken foot in the win over Burgard.

"He broke it on the play before Burgard scored their touchdown," McGrath said. "He played another play but had to come out."

Kling was immediately seen by an orthopaedic doctor who helps with the team as a volunteer.

"By 11:30 that night," McGrath said, "Dr. Szarzanowicz had already seen him and had him in a boot."

Depew also lost Josh Wiechelt (6-1, 240) from the offensive line after he was banged up on a kickoff. It is

See "Cover Story" on page 15

CoverStory

continued from page 14

unknown how much time Wiechelt will miss.

"We had to make some pretty big adjustments," McGrath said, "but the kids who came in played very well."

Amazingly, despite the loss of Kling and Wiechelt, Depew is still huge.

Andrew Burgio (6-1, 287) is starting at left guard while senior Mike Kasprzak (6-5, 250) moved down the line to take Kling's spot at left tackle. Jaden Cotton (6-4, 292) is starting at right tackle.

"Yeah, were still pretty big," McGrath said, "but our overall average certainly went down when those two guys got injured."

Zack Krieb, a junior, was inserted into the line at center. At 5-11, Krieb is relatively small but he still weighs 280. Chris Twaragowski, the smallest lineman on the team at 5-11, 170, is now starting at right guard.

"I never want to see anyone get injured," McGrath said, "especially offensive linemen. But it created an opportunity to shuffle some other guys around and give them a chance to show what they can do."

McGrath says that he is confident that his new line combination, although different, will be no less effective than it has been in the first two games.

"These guys are excellent pass blockers," McGrath said. "Against Burgard, we got out of our toe-to-toe offensive run game for a while and spread it out a little. We wanted to see what our skill kids could do with space. At the end, we went to Ertel's arm. We'll have to make adjustments because our team that starts the third game won't be close to the team that started the season."

Kling, who maintains an academic average of 91, is an outstanding player. Before the injury, he started on offense and defense and is also the Wildcats long snapper.

He was also the first player in WNY to commit to a Division I scholarship program when he accepted UB's scholarship offer in June.

"I really wanted to be at UB," Kling said. "Why hold out for anything else? That's where I wanted to go."

A day later, UB got a verbal commitment from Williamsville South quarterback Joe Licata.

"I talked to Joe Licata," Kling said. "He's really excited like I am. We both like the coaches and we're both looking forward to playing for them next year."

Kling says that he is confident that the Wildcats will be able to play deep into November this season.

"We have some really big guys on the line," Kling said. "We have three guys that are over 6-4. We take a lot of pride in our line. I know the kids in there will play well."

Despite being the newest linemen at Depew, he has played in Ralph Wilson Stadium more than any other player on the roster. Kling played at 'The Ralph' three times for St. Mary's in the Msgr. Martin Association championship.

"I'm looking for big things this year," Kling said. "I'm looking to go to the Ralph again. I think we can do it."

TRAINING THE HEART OF A CHAMPION FROM THE INSIDE OUT

This week's **Heart of a Champion Character Playbook** word-of-the-week is **Cheerful**.

This condition of your heart is a choice and depending on your choice can either drain your team or bring life to it. Defined: A hopeful heart that is bright, optimistic and of a good spirit. Outcome: **PASSION**

Lou Holtz, Former Notre Dame National Championship Coach said, "It is not the load that breaks you; it is how you carry it."

To succeed in anything you have to enjoy what you're doing. A happy heart makes a cheerful face but heartache crushes the spirit. Above all else guard your heart for it is the source of life. Do not let the circumstances of the game or your life steal your passion or zeal, choose to remain hopeful and optimistic.

Cheerful Heart:

- It is a choice
- It is contagious
- It can spark a team
- It brings hope when the chips are down.

Final Gun: It is not what you are going through it is how you go through it that counts. Be an athlete and a person that brings **hope** to all situations.

Fight the good fight, finish the race, and keep the faith. Be **COMPLETE** and Have a Great Week!

Are You Game?

Red Devils turn Yellow

Clarence beat Orchard Park 37-28 in a thrilling game last weekend. It was the first time that Clarence has beaten Orchard Park since 2000.

Since that last victory over the Quakers, Clarence has suffered a string of futility at the hands of Orchard Park.

"They beat us in the playoffs in 2002," Goddard said, "and they beat us in 2006 at The Ralph. They've had our number for a decade."

Included in this string was the 2008 game in which both teams entered the game undefeated... and OP came away with a 48-0 win.

"That was humbling," Goddard said.

But, last weekend's win over Orchard Park will be one of the most memorable wins in Clarence football history.

Bruising tailback Mike Gelz ran for 177 yards and 3 TDs to lead the Red Devils.

"Mike is a workout fanatic," Goddard said. "He put on 20 pounds of muscle over the offseason."

Clarence led 22-21 at the half.

"When we got into the locker room I told the kids that I had just one question," Goddard said. "Can we play with these guys?' And the kids just exploded."

What followed was a hard-nosed, 8-minute drive for a TD that gave Clarence a 9-point lead. When the game ended, the student section swarmed the field in celebration.

But while all of this made for an exciting Friday night, none of it made the game memorable.

What made the game an 'Instant Classic' was the fact that Clarence wore yellow jerseys... with no numbers or names on them.

Fans walking into the game, knowing that Clarence usually wore Red and Black, were immediately confused.

"We were on the field warming up with our regular black jerseys," Goddard said. "Orchard Park got off the bus with dark maroon jerseys. I didn't think anything of it. Some teams change into game jerseys right before the kickoff. But then they took the field in maroon jerseys. I knew there was a problem."

The problems started because Orchard Park has a huge JV program. The Baby Quakers have so many players that

the school does not have enough jerseys.

"I'm not going to tell a kid he can't play because we don't have enough jerseys," Athletic Director Jim Higgins said. "I ordered more jerseys but they aren't in yet. So until they come in, we have to share the jerseys between the varsity and the JV."

Higgins called Clarence Athletic Director Greg Kaszubski to ask if the teams could switch jerseys. Orchard Park would wear white for the JV game... but that meant that the white jerseys wouldn't be ready in time for the varsity game.

On the sidelines of the varsity game, Kaszubski confirmed the conversation.

"I thought they just wanted to switch for the JV game," Kaszubski said. "I didn't know they wanted to switch for the varsity game, too."

So... before the varsity game kicked off, both teams stood there in almost identical jerseys wondering what to do.

Officials then informed Goddard that the rules state that if the visitors show up in the wrong jersey, it is the responsibility of the home team to change.

Wow... who knew?

"I didn't even know the rule existed," Goddard said. "Ignorance of the law is no defense but I've never even heard the rule mentioned in almost 30 years of coaching football."

The problem was that the Clarence players, certain that they would be wearing black that night, had all taken their white jerseys home. The only

jerseys available were yellow practice jerseys.

No numbers... no names. Just bright yellow mesh.

"We bought those jerseys because we needed something to practice in," Goddard said. "Fortunately we had them. They weren't clean but we took our jerseys off and put those on. The kids were ticked. But then, someone said we looked like Killer Bees. All of a sudden, it clicked and just tore through the locker room. Everyone was fired up and wanted to wear the yellow jerseys. We were all on the same page. We were together."

The offensive linemen had tape pasted to the front of their helmets so that referees could tell if there was an illegal man downfield. Stat keepers faced a nightmare prospect of trying to keep accurate stats with no numbers to identify players.

And the PA Announcer would occasionally inform the crowd that the pass was complete to, "A yellow jersey!"

And... maybe... a new tradition has been started?

"I wouldn't mind that," Goddard said. "When Orchard Park comes to our place, we could wear yellow. Notre Dame wears green for USC. Maybe the boosters could buy us some regular yellow football jerseys. And when we play Orchard Park at home, we'll call it Yellow Jersey Night."

For one night, Clarence became the Killer Bees.
